smart floors

Additional Installation Materials

TORLYS Bulldog™ Tool

The TORLYS Bulldog™ Easy Plank Replacer is a unique innovation that is exclusive to TORLYS and allows you to replace a single damaged TORLYS Smart Floor plank easily and quickly.

[Click to learn more about the Bulldog™ tool.](#)

TORLYS Bulldog™ Tape & Replacement Knob

The best part about the Bulldog is that virtually anyone can learn how to use it! All you need is the Bulldog system - Tool, Tape, and Hammer.

TORLYS Smart Glue

TORLYS Smart Glue is a solvent-free, acrylic adhesive that is designed to permanently install all TORLYS floors up to 15 mm (5/8") over porous and non-porous surfaces free of moisture.

This adhesive is non-flammable, water and alkali resistant and freeze-thaw stable 5 cycles to 0°F/ -17°C. Available in 1 Gallon and 4 Gallon containers.

TORLYS Pressure Sensitive Glue

TORLYS Pressure Sensitive Adhesive is a solvent-free, acrylic, pressure sensitive adhesive formulated to install TORLYS EverWood Vista, Marquee by TORLYS Links, Fairways and Olympic Vinyl, as well as regular vinyl tile and plank flooring.

TORLYS Pressure Sensitive Adhesive has been formulated to produce a firm bond less susceptible to indentation and telegraphing.
